Our Analysis

Website Audit Summary - Haven Cleaning Services We audited your site and found a solid 70/100 SEO score, but three fixable issues are holding you back: your meta description exceeds Google's display limit, you're missing an H1 tag, and 22 images lack alt text—meaning potential customers searching for "janitorial services in NYC" can't find you easily. These oversights reduce your search visibility and hurt your ranking against competitors. PixelForgeBD specializes in quick, high-impact fixes like these that typically boost SEO scores by 15+ points and drive more qualified leads to your door.
