Our Analysis

Website Audit Summary for Homey Your cleaning service website scores a strong 85/100 in SEO, but two quick fixes could boost your visibility further: your page title is 1 character over the ideal limit, and you're missing an H1 tag that search engines use to understand your page. These technical issues may be preventing potential customers in Manhattan from finding you in search results. PixelForgeBD can optimize these elements in minutes, helping you rank higher and capture more bookings from your local market.
