Our Analysis

Website Audit Summary for White Glove Cleaner We audited your site and found a solid 70/100 SEO score, but three critical issues are holding you back: your page title exceeds recommended length, you're missing a meta description, and your contact information isn't visible—making it harder for NYC customers to reach you. These gaps are costing you search rankings and potential bookings. PixelForgeBD can optimize your title/meta tags, prominently display your 55 5th Ave location and contact details, and boost your visibility to drive more qualified leads to your excellent 4.7-star service.
