Our Analysis

Website Audit Summary – Bright House Cleaning Services Your brighthousecl.com scores a solid 85/100, but two critical issues are holding you back: your meta description (173 characters) is being cut off in search results, and a missing H1 tag weakens your SEO structure. These gaps are likely costing you clicks from local LA customers searching for house cleaning services. PixelForgeBD can quickly optimize your meta tags, add proper heading hierarchy, and boost your visibility to potentially increase your 4.7-star reputation even further.
