## Our Analysis

# Website Audit Summary for Door To Door Valet Cleaners & Tailors We audited your Santa Monica dry cleaning website and found solid fundamentals (75/100 SEO score), but two critical issues are holding you back: your page title exceeds ideal length, and your site lacks HTTPS encryption—both hurt search rankings and customer trust. These problems are likely costing you local bookings, as potential customers may skip your site for competitors with better security and visibility. PixelForgeBD can quickly optimize your title tags and migrate to HTTPS, boosting your Google rankings and giving customers confidence to book your services online.
