Our Analysis

Website Audit Summary - Fresh Clean Group We audited your site and found a solid 72/100 SEO score, but three fixable issues are holding you back: your title tag exceeds optimal length, missing alt text on images, and no HTTPS security. These gaps hurt your search rankings and customer trust—potential clients may bounce to competitors with faster, more secure sites. PixelForgeBD can quickly resolve these technical issues, boost your SEO to 85+, and help you capture more local cleaning service inquiries through improved search visibility and security.
