Our Analysis

Website Audit Summary for New Era Cleaners We reviewed your Pasadena dry cleaning website and found a solid foundation with a 4.6-star rating, but three key issues are holding you back: an oversized meta description (322 characters), missing image alt text, and no HTTPS security. These problems hurt your Google rankings, reduce mobile visibility, and make potential customers question your credibility—especially important in the service industry. PixelForgeBD can quickly optimize your metadata, add alt text for better SEO, and implement HTTPS to boost your search rankings and customer trust within days.
