Our Analysis

Website Audit Summary for Pasadena Bin Cleaners We audited your site and found a solid SEO foundation (80/100), but two quick fixes could boost visibility: your meta description exceeds Google's display limit, and 5 images lack alt text—both hurt search rankings and accessibility. These oversights mean potential customers searching for "bin cleaning Pasadena" may not see your full listing, and Google can't properly index your service photos. PixelForgeBD can optimize your meta descriptions, add strategic alt text, and implement additional SEO improvements to increase organic traffic and convert more local customers in your area.
