Our Analysis

Website Audit Summary for Quality Plus Home Cleaning We audited your site and found critical SEO issues: missing meta descriptions, no H1 tags, unencrypted HTTP connection, and hidden contact details—resulting in a 45/100 score. These problems are pushing potential customers to competitors since Google ranks you lower, and visitors can't easily find your phone number or book services. PixelForgeBD can fix these issues within days, implementing HTTPS security, optimizing on-page SEO, and prominently displaying your Beverly Blvd location and contact info to capture more local cleaning service inquiries.
