## Our Analysis

# Website Audit Summary for Wave House House Cleaning We found several critical SEO issues on your site: an oversized meta description, missing H1 tag, 31 images without alt text, and no HTTPS security—resulting in a 50/100 SEO score. These problems hurt your search visibility and customer trust, causing potential clients to choose competitors who rank higher and appear more secure. PixelForgeBD can quickly fix these technical gaps, boost your search rankings, and help you capture more local cleaning service inquiries through proper optimization.
