## Our Analysis

# Website Audit Summary - Impeccable Cleaning NYC Your website has strong fundamentals with an impressive 85/100 SEO score and excellent 4.9-star rating, but 6 missing image alt texts are limiting your search visibility and accessibility for potential customers. Without proper alt text, Google can't index your images, meaning you're losing traffic from image search results where many customers discover cleaning services. PixelForgeBD can quickly add optimized alt text to all images, boost your local search rankings, and ensure every visitor—and search engine—fully experiences your professional work.
