Our Analysis

Website Audit Summary - Wizard of Homes Your cleaning service website scores a strong 84/100 with excellent customer trust (5.0★/636 reviews), but we identified critical SEO gaps: a missing H1 tag and 2 images without alt text that prevent search engines from fully indexing your content. These issues are costing you visibility in local searches where potential customers are actively looking for house cleaning services. PixelForge can quickly fix these technical problems and optimize your on-page SEO to help you capture more qualified leads and convert your stellar reputation into increased bookings.
